Letters to the editor

Glad to help

Dear Restoration Committee,

It is with great feeling to be part of this campaign to be able to help restore City Hall.

I believe it is one of the few remaining buildings that represents a part of the past. The restoration on this building is long past due. It holds many memories, and should continue for generations to come.

Please accept my check in the amount of one hundred dollars ($100.00).

Sincedrely,

A Former Native
Syracuse, N.Y.

Editor's Note: This letter, from a former Carbondalean, is typical of the many donations that have been received by the Committee to Restore Carbondale City Hall from former residents. The committee and I would like to thank all former Carbondaleans for not forgetting your hometown when she needed you most. Your efforts to help the restoration will be remembered always. Please watch for further details in the NEWS on when the rededication of the City Hall Clock Tower will take place.
